Experience

Eko Bharat Ventures Private Limited

Software Engineer

Feb 2026 – Present

- Engineered an Agent Banking feature using React and TypeScript, enabling admins to register, update, and manage agent listings — improving operational efficiency for field banking operations.
- Designed and developed the [EkoGlobal](#) website from the ground up, targeting global markets with a responsive, high-performance UI built for international audiences.
- Built an n8n-based automation workflow for real-time market-fit news aggregation, enabling the organization to track relevant industry trends and make data-driven growth decisions

Key Projects: [EkoGlobal](#), [Eko Connect](#),

Accenture

Di-Hybrid

Web Developer

Jul 2024 - Feb 2026

- **Delivered 7+ enterprise-level web development projects** across diverse industries, ensuring each met strict quality, performance, and accessibility standards.
- **Designed and integrated automation scripts/tools** into existing development workflows, **cutting manual effort by 50%**, improving delivery speed, and enabling **40–50% reduction in full-time equivalent (FTE) workload**.
- **Engineered responsive, accessible, and high-performance UIs** using modern frontend technologies, significantly improving user engagement and satisfaction.
- **Partnered with cross-functional teams** — including designers, backend developers, and QA — to ensure seamless integration, timely delivery, and full alignment with client objectives.

Softobiz Technologies Pvt. Ltd.

Hybrid

UI Developer

Mar 2021 - Dec 2023

- Developed and delivered **6+ web applications** across diverse domains using **React, Angular, and Vue**.
- Designed responsive, intuitive UIs improving usability, accessibility, and overall user experience.
- Implemented **data visualization** features and complex multi-step workflows for SaaS and enterprise platforms.
- Collaborated in **Agile teams**, ensuring on-time delivery and Seamless integration with backend systems.

Key Projects: Kochava Search Ads Maven, e-Agent HealthCare, Stackways, Cashel Family Office, Hagfen.
